- ☐ To extend the term of supervision for \_\_\_\_\_ Years, for a total term of \_\_\_\_\_ Years.  
☒ To modify the conditions of supervision as follows. The addition of the following special condition(s):

The defendant shall contribute 20 hours of community service work per week, from the date this modification is granted by the Court, until such time as the offender obtains full-time employment, or full-time enrollment in a vocational or job training program. This requirement will remain in effect for the duration of the term of supervision and community service shall be required at any time the offender is unemployed for a period of more than thirty days. Such service shall be without compensation, with the specific work placement to be approved by the U.S. Probation Office.

**CAUSE**

The offender has remained unemployed since June 19, 2006. The offender has been repeatedly counseled and given numerous employment referrals for jobs and job training programs by the probation office. The offender has provided documentation of his job search activities. On March 9, 2007, he was ordered by the Hudson County Family Court, in regard to child support arrears, to report weekly and provide documentation of his application for no less than 10 jobs per week. Despite numerous attempts by the probation office to assist him, and his own efforts, the offender has remained unemployed for approximately 10 months.
